

The screenshot shows the Oxford Advanced Learner's Dictionary website. At the top, there is a navigation bar with 'Home', 'Wordlists', and 'Use OALD'. Below this is a search bar. The main content area features a large image of the dictionary book and CD-ROM. To the right of the image, there is a promotional text: 'The Oxford Advanced Learner's Dictionary is the world's best-selling advanced learner's dictionary, used by over 35 million learners of English worldwide. We know that you love the OALD because you tell us! Now there's another reason to love OALD - because you can access the new edition online!'. Below this text are three bullet points: 'Find any word—either search or double click words in entries to look them up', 'Improve pronunciation—with British and American pronunciation of all words', and 'Understand meanings—entries are written using only the Oxford 3000 key words'. Further down, there is a 'WORD OF THE DAY' section with the word 'monstrosity' and its definition 'something that is very large'. At the bottom of the screenshot, there is a 'Top 5 New Words ADDED TO OALD' section listing: 'blogosphere' (NOUN), 'credit crunch' (NOUN), 'minibeast' (NOUN), 'staycation' (NOUN), and 'subprime' (ADJECTIVE).

ipa on iOS, Android, and Kindle Fire tablets and smartphones. Its acclaimed information-rich, easy-to-use format gives you the words, phrases, and meanings you need to succeed in school, work, and everyday life. Whether you're preparing for interviews or meeting friends for the first time, the 10th edition has more than 10,000 entries, more than 10,000 audio pronunciations, more than 5,000 interactive flashcards, and more than 1,000 colour maps. Just as in its print version, you can now look up any word by highlighting it on an image, as well as by using text searches. You can also view the entire entry, view and follow the pronunciation, and listen to the audio pronunciation. Enhanced search allows you to easily find specific words or phrases, by using advanced search (field-specific search), and the device's text, database, or image search. To help you be more accurate in your searches, you can now define the word you're looking for, and you can also search with "spellcheck" turned on or off. You can also bookmark your favourite entries for quick recall, and see a "sorted by" menu.
